Subject: Nest week's conference call

All – As I mentioned on our call this AM, Thursday AM next week will not be a very good time for me to call-in. EPA, BLM & the State are having their 1st negotiation meeting with Sunnyside Gold Corporation on the Upper Animas and some RI work that we are requesting that they do. I expect that Thursday AM I will be busy with last minute preparations.

You can go ahead and have the call without me if that is the most convenient time for the rest of you or I would like to suggest that we postpone the call till Friday morning, April 10th at the same time. Thanks.
